

GATHER OUTDOORS

Erlick

Meet the industry's widest selection of UL-rated **outdoor undercounter refrigeration**

CHEERS to the sounds of laughter over a glass of wine with girlfriends, a cold draft beer at the barbeque, frozen treats for the kids poolside, and wowing guests with a craft cocktail at sunset – all while enjoying the great outdoors.

Raise your glass to nearly 100 years of innovation in premium refrigeration and award winning, made in the USA products. A toast to the industry's widest selection of UL-rated refrigeration for outdoor use backed by Perlick's industry best 3 Year Warranty.

Meet Perlick's incredible line of award-winning undercounter refrigeration – designed, engineered and manufactured with your outdoor space in mind.

THE ART OF THE COCKTAIL

Craft cocktails are an art form. They require attention to detail and a sense of craftsmanship, melding the flavors of fresh fruits, flavorful herbs and whimsicle spirits within the confines of one simple, chilled glass.

Whether shaken or stirred, on the rocks or straight up, you can trust Perlick to keep your ingredients and glasses perfectly chilled. Perlick's incredible selection of 15- and 24-inch refrigerators, freezers and beverage centers provide ample storage for all the elements of the ultimate cocktail.

To top it off, Perlick's **15-inch Clear Ice Maker** produces crystal clear top hat shaped ice, free of impurities that could alter your beverages taste. The unique top hat shape cubes also help to prevent clumping, which is commonly seen with traditional crescent and cube-producing machines.

THE FRESH TASTE OF SUMMER

Summer sunshine gives way to an abundance of flavors from the garden. Whether it be colorful bell peppers and onions on a grilled chicken shish kabob, or ripe strawberries atop a gorgeous mixed greens summer salad, fresh ingredients are key in preparing the ultimate alfresco dining experience for your friends and family.

Proper preservation of fresh ingredients is made simple with Perlick's full line of **15- and 24-inch outdoor refrigerators**. Store meat and vegetables for the grill, components for a refreshing fruit salad, and cold beverages for your guests in your outdoor entertaining space. Add our new **Drawer Pan Organizer** to keep chopped, diced and prepared mise en place on the ready. All models are available with choice of door or set of drawers, including glass door that features Low-E, UV-coated glass to keep products visable without sacrificing insulation and protection.

STORE AND SHOWCASE PRECIOUS VINTAGES

A beautiful bottle of wine served alongside a delicious grilled meal is the recipe for a perfect summer evening. Whether it is grilled shellfish with a glass of Sauvignon Blanc, or a well-crafted burger served with a robust glass of Syrah, wine and outdoor gourmet go hand-in-hand perfectly.

Proper conditions are required to protect wine from spoilage. Wine is perishable, and when exposed to the enemies of wine such as temperature variences and light, its complex blend of flavors and aromas can be severely compromised. Perlick combats these enemies with a variety of features to keep your collection of precious vintages in ideal conditions even when the thermometer hits 100°.

Available in 15- and 24-inch single zone and dual zone outdoor models, as well as the industry exclusive Sottile 18-inch deep models - Perlick wine reserves can accommodate up to 40 bottles of wine. The entire Perlick wine portfolio features with our Low-E, UV-coated glass door that provides industry-leading insulation and protection.

THE PERFECT POUR

Perlick has been affiliated with the brewing industry for nearly a century - designing, engineering and manufacturing equipment for breweries and beer dispensing systems for professional sports stadiums around the world.

We've taken the same commercial-grade technology and materials from our large venue systems and added a touch of luxury to produce the **industry's leading line of beer dispensers** for the home. Perlick's 15-inch Beer Dispensers can store a 1/6th keg, while our 24-inch models can accommodate two 1/6th kegs or one 1/4th keg.

All beer dispensers feature Perlick's exclusive air-cooled draft arm towers, and our Signature Series line boasts the 650SS Flow Control Beer Faucet that has the industry-exclusive ability to control the speed of the pour from the faucet.

MEET THE INDUSTRY'S MOST EXTENSIVE COLLECTION OF PREMIUM OUTDOOR REFRIGERATION

The Perlick name is synonymous with design, innovation and american-made craftsmanship. It's one of the many reasons that Perlick is the leader in luxury undercounter refrigeration for any space – indoors or outdoors.

With a robust refrigeration system that doubles the capacity of the leading competitor, you can trust Perlick outdoor products to keep your food, beverages and precious wine collection cool, even on the hottest of summer days.
